No.16 2nd June 2023

From the Assistant Principal

Teachers are amazing

I'd like to start with thanking the teachers for their extra level of hard work recently, including assessing students and writing reports, organising excursions, participating in Professional Learning Communities, and of course teaching classes expertly. Their dedication, resilience, and passion is appreciated, as they create inclusive learning environments and serve as mentors and role models for students, whilst completing all these things and looking after their families and themselves. We are very lucky to have incredible teachers here at Thomastown West Primary School.

There is no recipe to be a great teacher, that's what is unique about them.

-Robert Sternberg

2024 Prep Enrolment

A reminder to families, if you have a pre-schooler who is entering Prep in 2024, please contact the office to obtain an enrolment application for Foundation (Prep) and submit it by 28 July 2023. You will be notified of the outcome of your application by Friday 11 August 2023. If you receive an enrolment offer, you should accept the offer by Friday 25 August 2023.

Online safety: Snapchat/Tiktok

Some students in our school are asking their friends to add them to social media platforms such as Snapchat. Remember, the age limit for Snapchat use is 13+, which is set to protect young children. Ensure that you are actively educating your children on the risks involved with all communication technology. **Did you know...** When you send a Snapchat, it is never really deleted. By following a couple steps, any received messages and pictures can be retrieved and shared!

Minibeasts incursion

Thank you to the grade 1-2 teachers for organising the Minibeasts incursion. The experience sparked their curiosity and fascination with the world of small creatures. During the incursion, they had the opportunity to observe and interact with various minibeasts up close. Expert facilitators guided them through a series of interactive activities, including examining insects, spiders, and other tiny creatures in specially designed habitats. The students learned about the importance of minibeasts in the ecosystem and how they contribute to maintaining a healthy environment. Through hands-on experiences, such as holding butterflies and watching them move and behave, the students developed a sense of wonder and appreciation for the diversity of nature. The minibeasts incursion not only provided a memorable educational experience but also encouraged the students to become curious and empathetic stewards of the natural world.

CERES excursion

The Grade 5-6 students and teachers all went to the Centre for Education and Research in Environmental Strategies in Brunswick East. The excursion left a lasting impact on their understanding of environmental conservation. During the excursion, they were immersed in hands-on experiences and engaging educational activities centered around sustainable practices. The students eagerly participated in workshops and interactive sessions where they learned about the importance of reducing waste, conserving energy, and protecting natural resources. Through guided discussions and practical demonstrations, the students gained a deeper appreciation for the impact of their individual actions on the environment. This sustainability excursion not only broadened their knowledge but also instilled a sense of responsibility and motivation to make positive changes in their own lives and communities.

KidsCo available June 13

On Tuesday June 13, students are not required at school. Our teachers will be planning for term 3. If you would like your child or children to join in the fun Masterchef program in the multipurpose room for the day, please book them in with KidsCo. See the flyer on page 14 for details.

Maths challenge

The answer is 12. What could the question be?

Give Mr Crotti at least 3 possible questions and you'll win a prize at assembly. Want researched ideas to support your child with maths at home? Below is a Numeracy Guide for families created by the Department of Education. There are links to activities, advice, research, homework suggestions and a fact sheet in different languages. Every day of Learning Counts

Term 2 Week 6 Student Attendance Report

As part of the Department of Education *Every Day Counts* initiative, schools report attendance in percentages. **The Government regard 95% as the minimum satisfactory attendance for a school student.**

The percentages in the table below indicates the average attendance for each class for this week.

The shaded boxes below indicate which classroom has the highest level of attendance for their year level.

Prep	Last Week	This Week	Year 3/4	Last Week	This Week
Room 2	64%	60%	Room 9	74%	88%
Room 3	87%	76%	Room 10	79%	82%
Year 1/2	Last Week	This Week	Room 11	70%	72%
Room 4	93%	 94%	Room 12	71%	85%
Room 5	80%	80%	Year 5/6	Last Week	This Week
Room 6	82%	81%	Room 15	90%	91%
			Room 16	81%	75%
			Room 17	82%	89%
			Room 18	82%	79%

Every day of learning really does count!

At TWPS we want every child to achieve their full potential and we know that parents share this goal. There is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

Why is regular attendance at school important?

Regular school attendance will mean that your child has a better chance in life. Your child will achieve

No Absence	10 days absence	12 days absence	19 days absence	29 days absence	38 days absence
190 days of education	180 days of education	178 days of education	171 days of education	161 days of education	152 days of education
100%	95%	94%	90%	85%	80%
Very Good		Worrying		Serious Concern	
Best chance of success. Gets your child off to a flying start!		Less chance of success. Makes it harder for your child to make progress.		Your child will find it very difficult to make progress.

Parent Code of Conduct at Thomastown West PS

A code of conduct for parents, carers and visitors, ensures that communications with our staff or anyone who visits our school site (including an online environment, such as Zoom, Class Dojo, our School Facebook page and emails) is able to do so in a safe and harmonious manner. This ensures that students, staff, parents and other visitors are not subjected to inappropriate, aggressive, hostile or violent behaviours.

At Thomastown West Primary School we believe the following:

- ✓ We all have the right to do as much work and learning as possible.
- ✓ We all have the right to feel comfortable and safe.

We have 5 key school VALUES which we encourage everyone to *live* by our school values:

Respect **Responsibility** **Resilience** **Empathy** and **Strive to be our best**

We teach the children that:

- ✓ *Values guide the way we think, speak and behave.*
- ✓ *Values help us to decide what is right and what is wrong.*

At Thomastown West Primary School, Parents and visitors are expected to:

- ✓ Treat all persons associated with the school with respect and courtesy.
- ✓ Ensure their child/children are punctual to class.
- ✓ Make appointments in advance of expecting to obtain an interview.
- ✓ Allow staff to supervise, investigate and manage students without interference.
- ✓ Discuss issues or concerns about the school, staff or students through the correct procedures.
- ✓ Follow school procedures governing entry and behaviour on school grounds, including any restrictions that may be imposed.

Under no circumstance are parents to approach another student or parent regarding any incidents or issues.

Your co-operation is sought in maintaining a safe and happy school.

This updated Parent Code of Conduct was approved by TWPS School Council in October 2021.
