No.33 27th October 2023

From	the	Princ	cipal

Today, we celebrate World Teachers' Day! On behalf of our school community, I would like express my heartfelt gratitude to our teachers at TWPS who play a significant role in shaping the future of our students. I would also like to acknowledge the incredible commitment and moral purpose they bring to their profession. Teachers are not just educators; they are also role models, confidants, and an important source of motivation and support. Teachers at TWPS ignite the spark of curiosity, foster creativity, and impart knowledge that empowers our young minds to reach their full potential.

To our wonderful teachers, your dedication does not go unnoticed! Your tireless efforts have a lasting effect, shaping the leaders, thinkers, and problem solvers of tomorrow. Sincere thanks to all the teachers at TWPS for the incredible work you do day in and day out. It is genuinely a privilege to be Principal at a school where teachers go above and beyond each day to ensure that

every student has the opportunity to learn, grow, and thrive.

You can get involved sending message of thanks to a teacher who is making, or has made, an impact on your life.

Tutor Program 2024

The Department of Education advised schools that after the successful implementation of the Tutoring Program state wide, we will continue to receive additional DET funding to top up our existing Tutor budget to support students in 2024 with their learning. Your child may have been a part of the program in 2023 and worked with our fabulous tutors Mr Nick, Ms Magriplis and Miss Moshi. I would like to take this opportunity to thank our 2023 tutors for providing valuable assistance to over 100 students with their learning this year, that's over 1/3 of our students!

- ✓ Helmets significantly reduce the risk of serious injuries. Please note that helmets are compulsory when riding bikes and strongly recommended when riding scooters to school
- ✓ Please do not ride your bike or scooter within the school grounds. Everyone has the right to feel safe and comfortable. We ask that you walk your bike or scooter out of the school grounds.

Happy World Teachers' Day! Let us continue to appreciate, celebrate and support our dedicated teachers!

Our trip to Bubup Wilam

By Zack

Yesterday my mum and I and all the Koorie kids went to Bubup Wilam. We went there to have fun and to play with the indigenous children.

I played with fast, bright, red toy cars.

I also played with nice, tired, nervous kids. I pushed a baby on the swing.

I saw Uncle Segato, who used to be my kindergarten teacher, and he gave me a hug.

It was the best day ever!

Bubup Wilam visit

By Djaron

On the 25th of October 2023 all of the Aboriginal students from TWPS went to Bubup Wilam to play with the young Aboriginal kids. When we arrived we saw children, teachers, parents, toys, cars, possum skins, a hairdressing corner, a play kitchen and more! We went outside and I pushed some of the kids on the swings and jumped off the climbing frame. Then we had some delicious toast and juicy oranges for morning tea. We went inside and listened to the children sing an Indigenous song. Then unfortunately we had to leave, but all that matters is that we had fun!

Our visit to Bubup Wilam

By Becky

When we went to Bubup Wilam, I felt at home with the little kids. We had a smoking ceremony and a flag raising ceremony. We listened to the kids sing an Indigenous song and we got to play with them. It was nice to see some of my cousins, nephews and aunties and have morning tea with them. I played dressups and hairdressers in the hair salon with the kids.

When we left, I saw how sad some of the kids were.

It was a really good experience

EVERY DAY OF LEARNING COUNTS

Term 4 Week 4 Student Attendance Report

As part of the Department of Education *Every Day Counts* initiative, schools report attendance in percentages. The Government regard 95% as the minimum satisfactory attendance for a school student.

The percentages in the table below indicates the average attendance for each class for this week.

The shaded boxes below indicate which classroom has the highest level of attendance for their year level.

At TWPS we want every child to achieve their full potential and we know that parents share this goal. There is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

Why is regular attendance at school important?

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day...

√they learn better ✓they make friends ✓they are happier ✓they have a brighter future

If your child is sick, of course it is appropriate to keep your child at home but

other 'days off' school add up to lost learning. See below:
