### Healthy Snacks

Just a reminder that our students are encouraged to take regular breaks during learning time to recharge and reset. These breaks are usually accompanied with a healthy snack. Snacks such as fruits and vegetables are encouraged daily as a well-balanced diet. Remember, brain food helps students

concentrate and retain new information. Why not try something different and take your child shopping to choose their own brain food this weekend?

### TWPS Camp Program

As part of our school camp program, our Year 2 students will be having a sleepover at school. Our camping program teaches students from a young age important life skills as they grow and mature. With these students approaching Year 3 in 2023, this is a great opportunity for them to spend a night away from home. Year 1 students will be joining in on the fun for dinner and games, but will go home before the night ends. We are looking forward to the night and are sure it will be a blast!

### Immunisation History Statement

Did you know, by law a child must have an Immunisation History Statement from the Australian Immunisation Register (AIR) to enrol in primary school. The school keeps a copy to keep all students and staff safe when attending onsite. Parents and guardians will be sent a statement when their child turns 5 years old, alternatively you can print a copy of your child's immunisation history from your MyGov account. **Please ensure that our records at TWPS are up to date.**

### Reporting COVID-19 Infection

Just a friendly reminder that Parents and Carers should notify TWPS if their child tests positive to COVID-19 via PCR or Rapid Antigen Test (RAT). Students who report a positive results are recommended to isolate for a minimum of 5 days and not attend school until their symptoms have resolved. If you require a new box of RATs, please contact the school office or your child's classroom teacher.

(Nagy & Herman, 1987)

Hello Everyone ,

I'm Paulina and I'm currently undertaking my Social Work placement at Thomastown West Primary School in the Wellbeing Team.

A little about myself- I'm currently in my first year of Masters of Social Work at Federation University. I was born and grew up in the suburbs of Sydney, however moved to Melbourne at the age of 18 to attend university.

My family is from Poland, which meant growing up I was able to learn to speak, read and write in Polish. Further living in a polish household meant I was able to enjoy some yummy polish cuisines such as Pierogi (Dumplings) and Palczki (Polish Donuts).

Aside from undertaking placement at Thomastown West Primary School, I also work in a before and after school agency. Within this role I interact with and support children in their daily challenges, create and assist in fun activities such as baking, arts, crafts, sports and overall supervise and ensure the safety of children.

My favourite cuisine is Mexican food, in particular nachos or a burrito. However, I do have a sweet tooth and love cakes, especially a red velvet or a cheesecake.

In my spare time I enjoy, cooking, baking and playing sports. My favourite sport to play is AFL. Go the Bulldogs! I also play for a local Women's AFL team. So please don't hesitate to ask me to kick a footy with you at lunch time or recess if you see me during your breaks!

Another thing I enjoy doing is travelling. I recently went on a Holiday to Europe and my favourite country was Madrid, the food and culture was a fantastic experience. I have travelled, around Europe, America and Asia. However, in future I hope to travel within Australia like the Northern Territory or Western Australia.

I am a dog person through and through (sorry cat lovers.) I am a "dog mum" to a 3-year-old Charles Caviller Dog named Brutus. We enjoy long walks to the dog park, road trips to the dog beach and occasionally a yummy (dog-friendly) treat. A little secret about me are that my dog Brutus and I have matching Christmas Pyjama's.

# Every day of Learning Counts

## Term 4 Week 5 Student Attendance Report

As part of the Department of Education *Every Day Counts* initiative, schools report attendance in percentages. **The Government regard 95% as the minimum satisfactory attendance for a school student.**

The percentages in the table below indicates the average attendance for each class for this week.

The shaded boxes below indicate which classroom has the highest level of attendance for their year level.

Prep	Last Week	This Week	Year 3/4	Last Week	This Week
Room 2	73%	74%	Room 9	80%	80%
Room 3	73%	84%	Room 10	77%	86%
Year 1/2	Last Week	This Week	Room 11	74%	84%
Room 5	76%	89%	Room 12	82%	90%
Room 6	83%	82%	Year 5/6	Last Week	This Week
Room 19	86%	94%	Room 15	89%	90%

			Room 18	91%	 93%

## Every day of learning really does count!

At TWPS we want every child to achieve their full potential and we know that parents share this goal. There is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

### Why is regular attendance at school important?

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day...

✓they learn better    ✓they make friends    ✓they are happier    ✓they have a brighter future

If your child is sick, of course it is appropriate to keep your child at home but

other 'days off' school add up to lost learning. See below:

No Absence	10 days absence	12 days absence	19 days absence	29 days absence	38 days absence
190 days of education	180 days of education	178 days of education	171 days of education	161 days of education	152 days of education
100%	95%	94%	90%	85%	80%
Very Good		Worrying		Serious Concern	
Best chance of success. Gets your child off to a flying start!		Less chance of success. Makes it harder for your child to make progress.		Your child will find it very difficult to make progress. The school may take further action to support improved attendance.	

# Cup of Life

Well done to all the boys and girls who are attending school every day.

**Congratulations**

The room that had the BEST ATTENDANCE

For Term 4 Week 5 is

Thomastown West Primary School is pleased to announce that we are now a SunSmart School.

The SunSmart program is dedicated to reducing skin cancer incidence, illness and mortality through a targeted prevention and early detection program.

The objectives of the SunSmart Program is:

1. Improve and monitor skin cancer prevention awareness, knowledge, attitudes and behaviour
2. Support priority populations to detect cancers earlier.
3. Advocate for strategies that aim to reduce the health and economic burdens of skin cancer.

Thomastown West Primary School recommends that from September 1<sup>st</sup> to end of April, and whenever UV levels reach 3 and above, students come to school wearing sun-protective clothing such as:

- loose, cool, closely-woven fabric
- shirts with a collar and/or high necklines
- tops with elbow length or long sleeves
- longer style shorts and skirts
- **a wide brim hat/ bucket or legionnaire style hat to be worn in September 1<sup>st</sup> to the end of April.**

For the best protection use all five forms of sun protection-clothing, sunscreen, a broad brim hat, shade and sunglasses-when the UV is 3 and above.

For more information on how to be SunSmart, click on the link below.

## OFFICIAL ANNOUNCEMENT

### **WHITTLESEA SHOW POSTPONED TO JANUARY 21st & 22nd**

The weather has been against us from every angle and the grounds and parking areas are so wet we sink when we walk on them – in some parts up to our knees. We are very mindful of our responsibilities to have the best outcome considering the health and safety of our members, exhibitors, sponsors, volunteers and patrons. We've all been wearing gum boots for weeks and it's just not getting any better. We have no choice but to jump in the puddles and postpone the 2022 Whittlesea Show to the new dates of the 21st & 22nd of January 2023; same place, different time. Gate tickets and exhibit entry will be rolled over to the new dates. We will work through this in the coming week.

We are very pleased to be able to secure the dates of the 21st and 22nd January 2023 and we look forward to seeing you then.

Erica Hawke - President
