House Sports

What a fun afternoon of games we had yesterday! It was excellent to see so many parents, family members and carers cheering on our students. Thank you to the grade 5-6 leaders and the grade 5-6 teachers for organising it. Everyone had a great time and it was lovely to see teamwork, good sportsmanship and our school values on display. More photos on page 6 and 8.

From Assistant Principal

Adventures of Mr Crotti, final episode. The town of Katherine flooded in 1998. I was lucky that my family's house wasn't flooded, but we had 23 people in our 3 bedroom house for weeks, until the flood receded. I played a lot of sports there, including football, basketball, cricket, soccer, roller hockey, triathlon and rugby league. My first job was working in the kitchen at Red Rooster as a casual when I was 15 years old in Katherine, NT. I also picked mangoes on my friend's farm. I did that until I moved to Adelaide in year 11. There, I worked on a Christmas Tree farm, cutting pine trees into Christmas tree shapes and delivering them to shops to sell. When I finished high school, I went to the University of South Australia to study teaching, and drove forklifts at a fruit wholesaler part-time at night markets, and joined the Army Reserve as a cook in an infantry battalion. I still have the hat. I have attached a photo of my family at my sister's wedding a couple of weeks ago. My son Eddie was the page boy and my daughter Lola was the flower girl. Good times.

Parent/Student/Teacher Conferences

Teachers and students are looking forward to sharing their learning and goals with families on Wednesday. **Have you booked your Parent Student Teacher Conference yet?** We're up to 153 students booked out of 260. There are still a lot of people not booked in. Please book asap if you haven't already. Please log into Compass and book your appointment as soon as possible or **visit or call the TWPS Office, if you require assistance.**

Brain Breaks

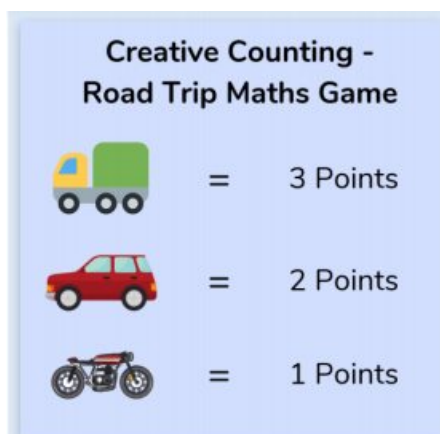

We encourage students to eat fruit and vegetables in the classrooms **for five minutes between lessons.** Please send in some brain food for this. If students don't finish eating their fruit and vegetables and the teachers need to move on with the lesson, the students

are encouraged to finish their fruit and vegetables at recess or lunch time. Thank you for your support with this and it is so great to see so many students eating healthy fresh food.

Maths Challenge

Thank you to the students who submitted answers to the Maths challenge in the newsletter 2 weeks ago. Students received a prize for their efforts. The challenge this week is to play this game in the car on the way to the shops or on a short drive. Keep a score and give Mr Crotti the score card to win a prize. You could choose a certain colour of car to be 2 points, or a purple car is 10 points (I find purple cars are pretty rare):

Car parking

Thank you all for your patience out the front of the school at pick up and drop off times. We understand that it is very busy. **For the safety of our students and families, we keep students in our care until a responsible adult or family member walks in to collect them.** Please make sure that you park safely before students enter or exit your vehicle. The last thing we would ever want is for a student or family member to feel unsafe or uncomfortable entering or leaving the school.

Class Dojo is always free for parents

Class Dojo is used to communicate with families about what is happening at school, and teachers give Dojo points to students for positive behaviour. **If Class Dojo asks you to pay for a premium version, please ignore it or skip the trial. PLEASE do NOT PAY for the Class Dojo App.** The school pays a subscription so that parents don't have to pay anything.

GRIP Student Leadership Conference

Our Grade 4, 5 and 6 students attended the GRIP leadership conference on Thursday. The focus for this experience was to provide training, specifically on being a student leader for our school. (TWPS strongly believes in building the capacity of our young leaders and for this reason, pays for each child's entry fee to attend the conference and half of the bus fare). What a privilege and an honour it is to be able to attend such an event. Our leaders were respectful, engaged and they lived by our school values. We have complete faith in their ability to put their new skills into practice, live our school values and lead by example.

School Photos will be taken TERM 2 Week 2, on Thursday 4 May. Students are expected to wear full school uniform on 4th May during the photos.

Who has joined Class Dojo 2023?

Are you missing out?

Teachers at TWPS use Class Dojo to communicate with you and can share your child's learning and wellbeing successes with you.

Parents can also use Class Dojo to reward their children with Dojo reward points

The great thing about Class Dojo is that it offers a two-way message service.

You can easily send a message or reply back to the teacher with a quick message.

(Compass is only one-way communication. That is, from TWPS to the parents and carers).

FRIENDLY REMINDER:

ALL STUDENTS MUST WEAR THEIR SCHOOL HATS WHEN OUTSIDE UNTIL THE END OF APRIL.

If your child has lost their hat, they can be purchased at the office for \$14.

We are a SunSmart School!

The SunSmart program is dedicated to reducing skin cancer incidence, illness and mortality through a targeted prevention and early detection program.

The objectives of the SunSmart Program is:

1. Improve and monitor skin cancer prevention awareness, knowledge, attitudes and behaviour
2. Support priority populations to detect cancers earlier.
3. Advocate for strategies that aim to reduce the health and economic burdens of skin cancer.

Thomastown West Primary School recommends that from September 1st to end of April, and whenever UV levels reach 3 and above, students come to school wearing sun-protective clothing such as:

- loose, cool, closely-woven fabric
- shirts with a collar and/or high necklines
- tops with elbow length or long sleeves
- longer style shorts and skirts
- **a wide brim hat/ bucket or legionnaire style hat to be worn in September 1st to the end of April.**

For the best protection use all five forms of sun protection-clothing, sunscreen, a broad brim hat, shade and sunglasses-when the UV is 3 and above.

For more information on how to be SunSmart, click on the link below.

The Government regard 95% as the minimum satisfactory attendance for a school student.

The percentages in the table below indicates the average attendance for each class for this week.

The shaded boxes below indicate which classroom has the highest level of attendance for their year level.

EVERY DAY OF LEARNING REALLY DOES COUNT!

At TWPS we want every child to achieve their full potential and we know that parents share this goal. There is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

Why is regular attendance at school important?

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day...

No Absence	10 days absence	12 days absence	19 days absence	29 days absence	38 days absence
190 days of education	180 days of education	178 days of education	171 days of education	161 days of education	152 days of education
100%	95%	94%	90%	85%	80%

Best chance of success. Gets your child off to a flying start!		Less chance of success. Makes it harder for your child to make progress.		Your child will find it very difficult to make progress.	

Science Week Celebrations @ Thomastown Secondary College

This morning the 5/6's students went to Thomastown Secondary College as part of their Science Week celebrations. Our students were able to participate in some exciting Steam activities. There was a CSI (crime scene investigation) where students had the opportunity to be forensic investigators and solve the crime of the kidnapping of a pet. The second rotation had students involved in constructing a marble run with the objective being to have the slowest time. Students loved participating in the hands on activities
