No.4 Friday 22nd March 2024

From the Principal

Already we have reached the final newsletter for the term. It is difficult to believe that we have only one week remaining in Term 1. Time flies when you're having fun!

Did you know that Wednesday 20th March was the 'International Day of Happiness'. The theme this year is 'Happier Together'. Here are three simple steps that you can use anytime to give yourself a boost and show kindness to those around you!

1. Think about three things that make you happy and do one today! Such as, going on a walk outside with an adult, talking to a friend, playing your favourite game, or drawing a picture.

2. Show care towards others by living our school values, saying hello, doing something kind or smiling.
3. When you wake up, think about what you can say to yourself to help you feel good and get ready for the day.

NAPLAN

Mr Crotti and I have been greatly impressed by the dedication and effort demonstrated by our Year 3 and 5 students during the NAPLAN testing period. They have approached the assessments with a positive attitude, remaining focused and giving their best effort. **Please remember, NAPLAN is simply a snapshot of a student in a moment of time**, and at TWPS we recognise that there is so much more to each student than a test result.

Thank you to our dedicated teachers and supportive parents for encouraging and guiding our students through this journey.

Parents will receive the results from these assessments later in the year. These results will help our school to reflect and refine our teaching practice to provide the best learning experiences for all students.

School Council Election Update

Nominations have now officially closed and I am delighted to introduce you to the 2024 Thomastown West Primary School Council. I'd like to also wish a warm welcome to the new members who will join our existing School Council team.

Every day of Learning Counts!

Attendance will continue to be a priority for TWPS during Term 2 and the remainder of this year! Young people who regularly attend school have better health outcomes, better employment outcomes, and higher incomes across their lives. Regular attendance at school enables children to build social relationships and helps them have a sense of belonging. If you need our support to help your child attend school regularly, please contact me. We are here to help!

Thank you

Mr.Crotti and I want to convey our heartfelt appreciation to our exceptional team of teachers, education support staff, and office staff. Their unwavering dedication and hard work are the backbone of TWPS, creating a supportive and thriving learning environment where our students can flourish. Additionally, we extend our congratulations to our hardworking students who have lived our school values throughout these past eight weeks, especially resilience during our new 'Struggle Time' in Maths lessons. We also express our gratitude to our invaluable parent helpers, whose unwavering support greatly enriches our school community. Thank you for your commitment and for playing integral roles in our school/home partnership!

REMINDER

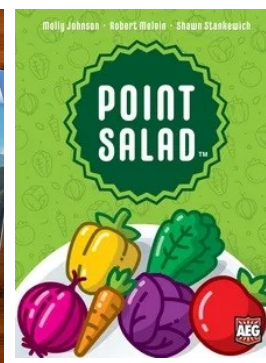

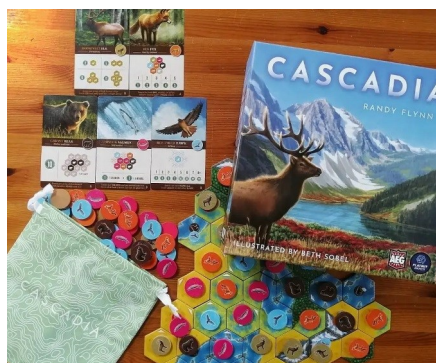

The students will be dismissed at the earlier time of 1.15pm on the last day of Term 1 Thursday 28th March. The office will be closed from 1.30pm. **TheirCare after school care will be operating from 1.15pm.**

Mrs Young's Games Corner

"Cascadia" a game for 1-4 players aged 10+. But for our gaming families... 8+ with parent support. **It is like building your own wilderness wonderland!** You get to fill your board with all sorts of cool animals and landscapes from Canada... like bears, salmon, and forests. (*Hope they create an African expansion!*) Each turn, you pick tiles to add to your board, trying to match habitats and animals to score points. It's a fun puzzle game where you create your own wild world right at the table!

Rules: <https://youtu.be/ZYgX9dB0Zm4?si=Khpil-PEekNeF354>

Or if you are looking for something a little easier and less pricey... **POINT SALAD** is a fun 2-6 player game that I believe suits ages 7+. You may have to help with the scoring. "Point Salad" is a super fun card game where you're trying to collect different veggies to score points. *The twist?* Each veggie card can score points in different ways, so you've got to be strategic about which ones you pick! Maybe you'll go for a bunch of lettuce cards because they score points for each one you have, or maybe you'll aim for tomatoes because they score points based on how many different types of veggies you collect. With every turn, you're faced with fun choices, trying to build the best salad to rack up those points and win the game!

Term 2 begins on Monday 15th April at 8:45am. Mr Crotti will be Acting Principal for this first week of Term 2 while I am spending time with my family in Sydney and utilising the holidays and bonus week of long service leave to rest, recharge and finally get over my laryngitis.

Wishing everyone a safe and happy end of Term 1 break.

Try to find some time to play your favourite game or do something with your family that you will all enjoy together.

Parent Code of Conduct at Thomastown West PS

A code of conduct for parents, carers and visitors, ensures that communications with our staff or anyone who visits our school site (including an online environment, such as Zoom, Class Dojo, our School Facebook page and emails) is able to do so in a safe and harmonious manner. This ensures that students, staff, parents and other visitors are not subjected to inappropriate, aggressive, hostile or violent behaviours.

At Thomastown West Primary School we believe the following:

- ✓ We all have the right to do as much work and learning as possible.
- ✓ We all have the right to feel comfortable and safe.

We have 5 key school VALUES which we encourage everyone to *live* by our school values:

Respect **Responsibility** **Resilience** **Empathy** and **Strive to be our best**

We teach the children that:

- ✓ *Values guide the way we think, speak and behave.*
- ✓ *Values help us to decide what is right and what is wrong.*

At Thomastown West Primary School, Parents and visitors are expected to:

- ✓ Treat all persons associated with the school with respect and courtesy.
- ✓ Ensure their child/children are punctual to class.
- ✓ Make appointments in advance of expecting to obtain an interview.
- ✓ Allow staff to supervise, investigate and manage students without interference.
- ✓ Discuss issues or concerns about the school, staff or students through the correct procedures.
- ✓ Follow school procedures governing entry and behaviour on school grounds, including any restrictions that may be imposed.

Under no circumstance are parents to approach another student or parent regarding any incidents or issues.

Your co-operation is sought in maintaining a safe and happy school.

This updated Parent Code of Conduct was approved by TWPS School Council in October 2021.

EVERY DAY OF LEARNING COUNTS

Term 1 Week 7 Student Attendance Report

The percentages in the table below indicates the average attendance for each class for this week.

The shaded boxes below indicate which classroom has the highest level of attendance for their year level.

EVERY DAY OF LEARNING REALLY DOES COUNT!

At TWPS we want every child to achieve their full potential and we know that parents share this goal. There is a clear link between good attendance and educational achievement. If your child is not in school, on time, as often as possible they will be missing out on many important parts of their education.

Why is regular attendance at school important?

Regular school attendance will mean that your child has a better chance in life. Your child will achieve better when they go to school all day, every school day...

✓they learn better ✓they make friends ✓they are happier ✓they have a brighter future

If your child is sick, of course it is appropriate to keep your child at home but

No Absence	10 days absence	12 days absence	19 days absence	29 days absence	38 days absence
190 days of education	180 days of education	178 days of education	171 days of education	161 days of education	152 days of education

Best chance of success. Gets your child off to a flying start!		Less chance of success. Makes it harder for your child to make progress.		Your child will find it very difficult to make progress.
