## Year 1 2024

Dear Parents and Carers,

Thomastown West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Thomastown West Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; faster WIFI and internet and the recent upgrade of our indoor learning spaces and outdoor areas.

**Educational items for students to own are no longer purchased from TWPS. A list of items that the school recommends you purchase from a *third-party provider*, such as Officeworks or MAXIM for your child to individually own and use is provided on page 7. Information about the Maxim Online Portal is included on page 5 and 6. Please note, from 2023 MAXIM will only sell the complete educational items pack, as a whole pack. Or you may choose to bring the recommended educational items from home and/or choose to purchase the educational items you require from another store.**

For further information on the Department's Parent Payments Policy please see a one-page overview on page 4.

We genuinely value your contributions in supporting our school's programs and resources.

Yours sincerely,

**Paul Johanson**

School Council President

**Sandi Young**

Principal

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
