Year 2 2025: PARENT PAYMENTS

Dear Parents and Carers,

Thomastown West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Thomastown West Primary School's voluntary financial contributions for 2025. Based on parent feedback, notices are being distributed earlier this year.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; faster WIFI and internet and the recent upgrade of our indoor learning spaces and outdoor areas.

Educational items for students to own are no longer purchased from TWPS. A list of items that the school recommends you purchase from a *third-party provider*, such as *Officeworks* or *MAXIM* for your child to individually own and use is provided on page 7. Information about the Maxim Online Portal is included on page 5 and 6. Please note, since 2023 MAXIM will only sell the complete educational items pack, as a whole pack. Or you may choose to bring the recommended educational items from home and/or choose to purchase the educational items you require from another store.

For further information on the Department's Parent Payments Policy please see a one-page overview on page 4.

We genuinely value your contributions in supporting our school's programs and resources.

Yours sincerely,

Paul Johanson
